How
can we
help you ?

“Help others who have all kinds of troubles”
(2 Corinthians 1: 4)

Support at
Washington
church of Christ

From time to time all of us need help and support from others. How do you get the help you need at Washington church ?

Someone to **talk to ?**

Are you feeling worried, confused, hurt or concerned about someone or something in your life? Please don't carry the burden alone. Arrange to meet with a member of our support team and talk to them.

Someone to **listen ?**

It can be tremendous release to talk through our worries and concerns. It can be a great source of encouragement to have someone to give time to sit and listen to us.

Someone to

pray ?

Never hesitate to ask for prayer! God is interested in every area of our lives. We can arrange to have someone meet and pray with you.

Counselling

It is good to get support and prayer from a willing and experienced listener. However sometimes we may need the help of a experienced counsellor or if not appropriate we can refer you to someone outside the church.

Advice about money*

Many people have trouble with debts or balancing the budget, such as when they lose their job or costs go up. Our money advisors can help you plan and negotiate debts and to make a budget you can live on.

*Washington church of Christ does not give grants to people in need but can advise about sources of income.
